0915 127 614

## ABOUT ME

I have background in Software Engineering, but also love visual, graphic design and Art. In programming, I'm a Researcher that specialist in Compiler, Performance Optimization, Artificial Intelligence and Graphical Algorithm in Visual Effects. In visual, I'm a freelancer graphic design, an hobbyist 2D Artist and an illustrator. I encourage people to work by clean, flexible flow that can adapt to situation smoothly.
